CLASS LEVELS & TESTING

Students new to our program are evaluated and placed in the appropriate class. Students may be promoted to a more advanced class with the recommendation of their coach. Testing is done at the second/third week from the end of the series. Test will not be given on the last day of class.

MAKE-UP CLASSES

Make up classes can be done before or after an absence. All make-up classes must be completed before the end of a series. Adults may take any non-adult class on a regular basis or as a make-up class.

GUEST PASSES & PUBLIC SESSIONS

Learning to skate takes practice. We encourage our students to practice before or after their class and come to Public Sessions regularly.

Students are given guest passes when they enroll. Passes cannot be replaced if lost, must be presented at the time of entry, and expire at the end of the series. Guest passes may be used either by student or friend/family member during any Public Session (may not be used for practice ice).

Students also have one free admission to a Public Session immediately before or after their class, same day only. Otherwise, students can skate at a discounted rate of \$5 for Public Sessions by requesting the "Skating School Rate" at the time of admission.
